

# LAM-DUY NGUYEN

Email: lamduy.nguyen@tum.de | Google Scholar | LinkedIn | GitHub

## PUBLICATION

- [VLDB'26] "*BtrLog: Low-Latency Logging for Cloud Database Systems*", Maximilian Kuschewski, **Lam-Duy Nguyen**, Matthias Jasny, Tobias Ziegler, Viktor Leis, Muhammad El-Hindi. International Conference on Very Large Databases, 2026
- [SIGMOD'26] "*Predictive Translation: High-Performance Buffer Management Without the Trade-Offs*", Michael Zinsmeister, **Lam-Duy Nguyen**, Viktor Leis, Thomas Neumann. ACM SIGMOD International Conference on Management of Data, 2026
- [SIGMOD'25] "*Moving on From Group Commit: Autonomous Commit Enables High Throughput and Low Latency on NVMe SSDs*", **Lam-Duy Nguyen**, Adnan Alhomssi, Tobias Ziegler, Viktor Leis. ACM SIGMOD International Conference on Management of Data, 2025
- [ICDE'24] "*Why Files If You Have a DBMS?*", **Lam-Duy Nguyen**, Viktor Leis. IEEE International Conference on Data Engineering, 2024
- [VLDB'22] "*In-Page Shadowing and Two-Version Timestamp Ordering for Mobile DBMSs*", **Lam-Duy Nguyen**, Sang-Won Lee, Beomseok Nam. International Conference on Very Large Databases, 2022

## EDUCATION

|                                                                                           |                                   |
|-------------------------------------------------------------------------------------------|-----------------------------------|
| <b>Technical University of Munich</b><br>Ph.D., Computer Science                          | <b>Germany</b><br>2023 – Present  |
| <b>Sungkyunkwan University</b><br>M.Sc., Computer Science and Engineering - GPA: 4.25/4.5 | <b>South Korea</b><br>2020 – 2022 |
| <b>Vietnam National University, Hanoi</b><br>B.Sc., Computer Science - GPA: 3.36/4.0      | <b>Vietnam</b><br>2013 – 2017     |

## PROFESSIONAL EXPERIENCE

|                                                                   |                               |
|-------------------------------------------------------------------|-------------------------------|
| <b>Microsoft Research</b><br>Research Intern – Data Systems Group | <b>Seattle, USA</b><br>2025   |
| <b>Picket Homes Inc</b><br>Software Engineer                      | <b>Vietnam</b><br>2022 – 2023 |
| <b>Worldquant LLC</b><br>Software Engineer                        | <b>Vietnam</b><br>2017 – 2020 |

## TEACHING EXPERIENCE

|                                                                                                                   |                               |
|-------------------------------------------------------------------------------------------------------------------|-------------------------------|
| <b>Practical Course: High-Performance Query Processing [Teaching Assistant]</b><br>Technical University of Munich | <b>Germany</b><br>2026        |
| <b>Practical Course: Data Structure Engineering [Teaching Assistant]</b><br>Technical University of Munich        | <b>Germany</b><br>2023 - 2025 |
| <b>Data Structure Engineering [Teaching Assistant]</b><br>Technical University of Munich                          | <b>Germany</b><br>2024 - 2026 |

## MENTORING

### Master's Students

- Jonas Fritsch, *Tiny Pointer-based Tree Data Structures*, 2026
- Doan-Anh-Khoa Nguyen, *Unifying Filesystems and Databases into a Single Storage System*, 2025
- Beyza Altuntas, *Cost-based Buffer Management for Cloud OLAP*, 2025

### Bachelor's Students

- Yasmine Ibn Fraj, *Concurrency Semantics for Replication of Engineering Graphs*, 2026
- Moritz Linsmaier, *Towards HTAP-Friendly LeanStore with Hot/Cold Data Separation*, 2026
- Cao-Long Vu, *Optimizing Group Commit through Batched Processing and Dynamic Resizing of the Precommitted Queue*, 2026

- Alisa Dubkova, *Empirical Evaluation of Vector Indexing in LeanStore*, 2025
- Lukas Englhauser, *Evaluation of Lock-Free Hash Tables for Buffer Management*, 2024
- Thua-Duc Nguyen, *Concurrent Range Locking*, 2024

## SERVICE

---

**Reviewer:** VLDB'27, TKDE'25

**Shadow Program Committee:** VLDB'26

**Artifacts Availability & Reproducibility Committee:** SIGMOD'25

**External Reviewer:** VLDB'25

## AWARD & CERTIFICATE

---

**STEM Scholarship for International Graduate Students**

*Sungkyunkwan University*

**South Korea**

2020 – 2022

**Second prize in Vietnam National Olympiad in Informatics**

**Vietnam**

2012

## REFERENCE

---
